

**August 21 - 22 (Wednesday – Thursday)**Local History and Genealogy Collections Section – Satellite Conference

Where: University Library Svetozar Markovic, Belgrade, Serbia

Programme

We are offering a rich, two-day programme, with a special session on digital genealogy and fourteen interesting presentations from different parts of the world:

Day one – Wednesday 21 August

- Digital Resources for Librarians. Special session
- World Café One: Presentations from China and Taiwan
- World Café Two: Presentations from Serbia, Japan, Brazil, USA and Lithuania

Day two – Thursday 22 August

- World Café Three: Presentations from USA, India, Nigeria, Romania and Serbia

In the evening, the Serbian organizers will arrange a special event for the participants of the IFLA Local History and Genealogy conference, together with the conference participants of the IFLA Libraries for Children and Young Adults Section (both have their conferences in Belgrade at the same time).

Details are available at:
