Challenges: and how we are addressing them

- Funding
- Leadership
- Secretariat office
- Setting up bigger APISI organisation system
The future of the association and libraries in our country

- APISI shows professional existence of school librarians through self-development process for school librarians to create an energetic school librarianships.
APISI in 34 PROVINCES in INDONESIA
The future of the association and libraries in our country

- College for School Librarians
- High demand of qualified school librarians
- Good cooperation & networking among members and stakeholders at national level (government), regional and international levels.
Thank you 😊
