**Action 2:** Finalise program |

| 11 | Update on RSCAO Satellite Meeting 2016 at Columbus | Program Chair  
The Call for Proposals for the Satellite Meeting to be held 11–12 August was released in January with the deadline of 12 February. As only one proposal was received by then, the Call will be revised and redistributed.

**Action:** Call for Proposals to be revised and redistributed | Program Committee |
| 12 | **Strategic Plan and Action Plan 2016-2017** (Annex 2) | Strategic Planning Committee Chair Paul Nielsen spoke to the Action Plan, a copy of which was made available to all members. Linkages and alignment to IFLA strategic directions with actions and activities were outlined. Paul reiterated the need for all members to take responsibility for advising actions undertaken that support the plan, and that sub-regional convenors would be well placed to coordinate this work.  
**Action:** Reminders to be sent to sub-regional convenors to provide details of any items that can be updated in the Action Plan |
| 13 | **IFLA RSCAO Handbook** | The Chair, who initiated the Section Handbook, took members through the content and purpose of the Handbook and invited suggestions for new content. Shawky Salem suggested a history of the section to be included; however it was agreed that this would be more appropriate to include on the web page rather than the Handbook.

| 15 | **Corresponding Members and Advisors** |  
**15.1 IFLA policy on corresponding members** (Annex #4)  
http://www.ifla.org/officers-corner/corresponding-members  
Members were alerted to this policy, and in particular, it was noted that corresponding members are appointed to act as experts for their region and *are not normally able to attend meetings* – up to five corresponding members may be appointed at any one time for no more than a maximum of two terms of two years each.  
**15.2 Current corresponding members and advisors and their terms**  
Currently RSCAO has just one corresponding member. It was agreed further members from regions that are not represented, may be invited so long as they are able to play an active role and do not expect to attend meetings. RSCAO also has five Advisers, some of whom are inactive. The Adviser role is not an official one, but it was agreed there was room for the “expertise of elders”, that is, former officers who have a valuable advisory role to play. Dan Dorner has recently been nominated to this |
role. It was agreed some guidelines would be drawn up as to their role, with input from Helen.

**Action:** Chair to draft a written document on the future role of Advisers
