<p>4. Turkmenistan</p>	<p>#1 Central Scientific Library of the Academy of Sciences of Turkmenistan. Miras magazine sums up the results of 2020 January 20, 2021</p> <p>The next issue of the quarterly popular science journal "Miras" published by the Institute of Language, Literature and National Manuscripts named after Makhtumkuli of the Academy of Sciences has been published. Addressed to a wide range of readers, the publication continues a series of publications about new discoveries and research results of the historical, cultural and spiritual heritage of the Turkmen people. The final edition of 2020 is dedicated to the 25th anniversary of the neutrality of the Fatherland - a historical date under which all events took place last year. The statements of President Gurbanguly Berdimuhamedov about the neutral status of the country, given on the first pages of the publication, determined the tone of all publications of the issue. The cover of the magazine was decorated with a sculptural image of the Monument of Neutrality of Turkmenistan.</p> <p>https://www.science.gov.tm/news/20210120news-2021-01-13-1/</p>	<p>SD 2 – inspire and enhance professional practice</p> <p>Objectives</p> <ul style="list-style-type: none"> • Publication activities support • Advance professional networks and international cooperation • Inspire research ideas • Introduce international experts • Ensure constructive exchange of information, best practices, and lessons, • Establish conversation between researchers and practitioners • Turkmenistan History and Culture Promotion
	<p>#2 Online International Scientific Conference "Neutral Turkmenistan - UNESCO: International Cooperation in the Field of History and Culture" December 04,2020</p> <p>The forum, organized by the Institute of Language, Literature and National Manuscripts named after Makhtumkuli and the Institute of History and Archeology of the Academy of Sciences of the country, is devoted to coincide with the 25th anniversary of Turkmenistan's neutrality and is intended to reflect the importance of this status in the development of international cooperation on topical issues of the global agenda. The opening of the International Conference was held at the Oguz Khan University of Engineering and Technology, where an exhibition was also organized, reflecting the directions of interaction between Turkmenistan and UNESCO in the field of science and education, culture and heritage preservation. The exposition includes scientific works of scientists, archaeological finds, works of fine and decorative-applied arts, including Turkmen carpets included in the List of Cultural Heritage of Humanity, as well as images of objects nominated for inclusion in it.</p> <p>https://www.science.gov.tm/news/20201207news-2020-12-04-1/</p>	<p>SD 1 – strengthen the global voice of libraries SD 2 – inspire and enhance professional practice SD 3 – connect and empower the field</p> <p>Objectives</p> <ul style="list-style-type: none"> • Publication activities support • Advance professional networks and international cooperation • Inspire research ideas • Introduce international experts • Ensure constructive
