**How will you communicate your activities and results?**

Communication on these tasks is really crucial.
- By email lists of the metadata sections of IFLA
- By giving presentations at the seminars outside the IFLA
- By publishing in the Metadata newsletter

**How will you measure the impact of your activities?**

- By contact from the environment
- How much the ICP are used: number of translations, number of citations in professional literature
- How much Muldicat is used: number of downloads of Muldicat for each included language

**Identify other Unit(s) which may be interested in this Focus Area, or with which you could collaborate on projects/activities.**
