- **Professional units Logo:** The committee discussed the section logo being proposed by HQ for CPDWL. A small group (Sandy Hirsh, Gillian Hallam, Mary Ellen Davis, Catharina Isberg, Svetlana Gorokhova) will make recommendations by the Sept. deadline.
- **Professional units One-Pager** - Sandy Hirsh, Gill Hallam and Catharina Isberg will draft a document for review by the committee.

6. Interactive Session (30 minutes)

- The committee members were divided into groups to discuss and report back on five topics.

a. **WLIC Sessions 2018 (Lead: Sandy Hirsh):** Identified possible themes including text mining (possibly a satellite topic), environmental sustainability, and hackathons.

b. **Improving Communication in the Section (Lead: Vivian Lewis):** Propose doing an annual test of the email list to resolve problem with individual’s names being dropped.

c. **Webinars:** (Lead: Loida Garcia-Febo). Will continue to partner with New Professionals. Need to ensure we have a good array of international speakers and participants.

d. **CPD coaching during the WLIC, pilot program in 2018 (Leads: Catharina Isberg, Ewa Stenberg):** HQ is interested in discussing further. Could have an open session to offer CPD and IFLA coaching for interested participants.

e. **CPD Guidelines (Leads: Gill Hallam, Jana Varlejs):** Will work with Mary Laskowski to make sure content gets out. Need to have a communications plan for the Guidelines. Need strategies for reaching out to national organizations and other IFLA units.

7. Dynamic professional unit (DEFERRED DUE TO LACK OF TIME)

- **Publications from the Milnerton Satellite 2015 – Ewa.** We received 12-14 full papers. In 2015 it was not clear whether they would go into the IFLA library or be published in a greenback. CPDWL has worked intensively to solve the publication issue. HQ confirmed before the meeting that the papers from 2015 and 2016 will be loaded into the IFLA repository during the fall.

- **Satellite Guide – Susan, Ewa.** Proposed a one-day satellite every other year at the IFLA main site. Organizers can determine if the papers are published. Strong interest in having sessions be free to avoid issues with gathering and moving money around from year to year. The group discussed but did not come to a conclusion regarding frequency.

- **Global Vision – latest information – Catharina, Vivian**
  - Catharina and Vivian attended the kick off workshop in Athens in April 2017 as representatives for CPDWL.
  - All of the CPDWL SC was then involved via mails and a virtual meeting to contribute to the CPDWL Vision report.
  - The CPDWL vision report was submitted on time. Vivian submitted the CPDWL report a second time in August (using the preferred template).
  - The Vision survey is now open to everyone. During the SC-meeting it was confirmed that the survey could be filled in by all library workers, not just those with MLS designation.
  - Members were asked to encourage their colleagues to vote using the online form.
  - In mid March 2018, IFLA is planning a follow up workshop in Barcelona.
9. **Financial Information** - Committee reviewed the financials and had no concerns.

10. **2017 Poster (CPD Guidelines Poster)**
    - Will be presented (by Jana and Gill) on Monday August 21 AND on Tuesday August 22.

11. **Review of WLIC 2017 Sessions**
   
   **a.** Bridging the Gap from School to Library: Best Practices for Planning, Participation and Assessment of Internships, Practicums, Field Experiences and Mentorships in LIS Education. Being offered Monday August 21 from 13:45 to 15:45 PM. CPDWL is assisting the School Libraries Section with this session.
