

Document Delivery and Resource Sharing Section
ANNUAL REPORT
2015

Introduction

Professional Units must prepare an Annual Report for each calendar year (January to December). The purpose is to inform the Professional Committee, the Section's Standing Committee, members of the Section and the profession around the world about achievements over the year. The Annual Report refers to the activities identified in the Unit's [Action Plan](#) and reports on the progress of these activities, the activities that have been completed and their impact.

The Annual Reports of all IFLA Sections provide important input to the fulfilment of IFLA's Professional Programme, Strategic Plan and Key Initiatives, and also contribute to IFLA's Annual Report.

The Officers of the Section should return this form to the Division Chair and Professional Support Officer no later than 15 March 2016.

A summary should be provided to the membership of the Professional Unit.

Further guidance on Annual Reports can be found in the Officers corner: <http://www.ifla.org/officers-corner/annual-reports>
