

Committee Members involved in FAIFE Activities 2008

Including the Chair, there are 18 FAIFE Committee members. During 2008, 15 Committee members have contributed in some way, shape or form. Many workshop activities have been undertaken by the same FAIFE 'Trainers', Committee members who have been involved in the development, and refinement, of training materials relating to Internet Access Management or Access to HIV/AIDS Information through Libraries. Other Committee members have helped organise workshops, conferences, WLIC programmes, mailing lists, meetings, and the development of learning materials.
