Naming Convention

The naming of countries and territories is based on definitions used by United Nations Statistics Division (UNSD), and IFLA's attribution of country codes on this basis. The designations employed in this list do not imply the expression of any opinion whatsoever on the part of IFLA concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. The term "country" as used in this material also refers, as appropriate, to territories or areas.
