Subject: Nominations for Chairs of IFLA's Division 2011-2013

To all Chairs and Secretaries of Standing Committees of all IFLA Sections
Cc: Governing Board members, for information only

Call for Nominations of Chairs of Divisions

IFLA's professional structure comprises Sections, Core Activities and Special Interest Groups grouped under 5 Divisions.

Each of the Divisions is led by a Chair, whose main duty is to further the communication between and within the Divisions and to that end chair a "Leadership Forum" during our annual Congress. For an overview of relevant Rules of Procedure see the [first attachment](#).

Following what was announced and further clarified at two Officers' Training sessions in Gothenburg we are now calling for nominations of candidates to serve as Chairs of each of these five Divisions for the term August 2011 through August 2013.

Each of you is entitled to nominate a candidate for Chair of the Division in which your Section is located. For an overview see [attachment 2](#). Candidates may nominate themselves or another Section officer within the relevant Division. All candidates per Division are listed in [attachment 3](#).

Only one person is required as nominator. Please obtain the consent of your nominee.

Send your nomination to sjoerd.koopman@ifla.org. It must reach him **ON or BEFORE 09 February 2011**. No late nominations can be accepted. To avoid disappointment please do not wait until the last moment. A confirmation of receipt of the nomination will be sent to you if you request it.

In cases where there is one nomination only the nominee is automatically elected as Division Chair. If more than one candidate is nominated as Chair of a Division, a ballot will be held by email after the close of nominations. It will be sent out in February 2011.

Jennefer Nicholson
Secretary General
The Hague, October 2010
