Subject: IFLA PC call for projects.

Dear IFLA Officers, SIG conveners and Strategic Activity Chairs,

Please find attached the call for projects from the Professional Committee and the application form. They will be posted online next week. Apologies for having to send these out as attachments, this is due to the website upgrade that is currently underway.

The deadline for applications is October 31st. Please ensure you involve your Division Chair in your discussions so that they understand and can advise on your application. Please note that the proposal must be endorsed by the relevant standing committee and the application form must be sent to me by the Section Chair or Secretary, though it may be filled in by someone else (for example, the project supervisor).

Please let me, or your Division Chair, know if you have any questions.

The PC looks forward to receiving your proposals.

Thanks, and best regards, Joanne
