**Resource requirements**

If you wish to request resources for any of your planned activities, ensure the details above are complete, then copy the project and task details from above and add the necessary detail below.

This replaces the Project Funding Application form used in previous years. It is therefore extremely important that you submit it to your Division Chair and HQ by the deadline 30 October 2016.

The Professional Committee will agree in the December PC meeting a draft allocation of funds for anticipated reimbursements during 2017. Following confirmation of the level of PC Funds for 2017, the Division Chairs and HQ Professional Support Officer will communicate with Units in January/February to finalise the details. The PC would also appreciate hearing about resource requirements you already anticipate for 2018.
