CONFLAGRATION PROOF.
Royal Insurance Company of Liverpool.
Queen Insurance Company of New York.

These companies had at risk, locally, in the burned districts of San Francisco, approximately $7,000,000, but have met $70,000,000, and net surplus of $10,000,000 available for payment of losses.

IMPORTANT.

Many companies are able to pay their losses in San Francisco, but in other companies, such as the Royal and Queen, are good for all losses as they arise, and will pay all legitimate losses fully and promptly.

These companies are absolutely safe.

TEMPORARY OFFICES.
The Royal will erect for itself and the Queen a first class office building on the site of the burned office at the northeast corner of Pine and Sacramento Streets.

Telephones Installed Last Week

At the telephone exchange, another new installation of telephones has been made. These new phones are the latest model and are a great improvement over the old ones. The service is much faster and more reliable. The installation was made possible thanks to the efforts of the local telephone company.

SUIED BY DEATH.

Mrs. A. C. Few of Eureka Joins Silent Majority.

Eureka, May 2—Arnoldus Eekker and his two sons, Jacob and Albert, accompanied by Jacob Beecher, who brings the new German music library to the school district of this county, and brought to the residence of Mrs. A. C. Few. Mr. Eekker was born 22 years ago in Holland and there married Mrs. Eekker sixty-three years ago. She came to America in 1885 with her husband and settled in Virginia, Utah, where they resided for eighteen years. She then went to Butte, Montana, and lived there in the great copper camp, afterward coming back to Utah and settling with her sons, who own an interest in the mining property at Sheeprock. Mrs. Elizabeth Maria Eekker died on the evening of May 2, and her burial service was held in the Eureka cemetery under the direction of A. W. Wallace.

LEHI'S NEW PIPE ORGAN

Lehi, May 2—The church officials have placed an organ for the new tabernacle, which, when completed, will be the finest in the state outside of Salt Lake City. The Kimball Organ Company, who rebuilt the Salt Lake tabernacle, will also build the one at Lehi, and it will be of the same quality as the one in St. Paul's Cathedral in Salt Lake City. The new tabernacle is the best ware meeting house in the state, and Professor Fox is reorganizing his choir so that it will harmonize with the building and its new organ.

At a special school election Tuesday $25,000 was voted to complete the new central school house. Eighteen thousand dollars was voted last year, making the total up to $39,000, and makes probably the best school house in the state.

**CASTLEWOOD NEWS**

By Mrs. Z. McKissack

Little Virginia McKissack celebrated her seventh birthday Tuesday July 26 by entertaining a number of her friends. The afternoon was pleasantly spent playing games. Refreshments were served and at an early hour the small guests departed wishing Virginia many happy returns of the day. Those present were: Dorothy and Jane McMillan, Glen and Ruth Miller, Edith Maron, Olive McBride, Frances Route, Helen Nightingale, Mary Levens, Helen Gratzl, LeRoy Miller, Joseph Leavens, Tommy McKissack and Delbert Jones.

Henry Nightingale spent the week-end with the home folks and attended the tract meet Sunday.

Mrs. Job who has been very ill with the quinsey for several weeks is much improved.

Mrs. Baxter and son George of Denver attended the play given by the pupils of the high school Wednesday night.

Mrs. Tonor expects her mother, Mrs. Branch of Denver out the last of the week for a months visit.

Making Extraordinary
Mileage a Certainty

Car Owners want more rubber on the road where the wear is
hardest; more gum between cord plies to perfect a resilient and
powerful carcass. And they want a scientifically constructed Non
Skid tread with all angles and contacts to resist skidding and give
sure traction. Firestone Cord Tires have met these demands of
the car owners.

Read Letters Below—
Records from 29,000 to 57,000 Miles

Cord Tires built the Firestone
way could not fail to produce
mileage. Every day, every where
there, the word that
10,000, 20,000 or 30,000 miles
are frequent and consistent records.

I am pleased to say that I have ru-
nen over 15,000 miles on the Fire-
stone tires on my car. I find them
very satisfactory, and would recom-
me to any car owner who is in
search of a good tire.

China, Collection of Genealogies, 1239-2011

Description
Digital images of Chinese genealogies from various public and private collections. Although some genealogies include information on family branches that migrated to surrounding countries this collection covers families with roots in China. Chinese family genealogies list the origin of the family within China, where the family settled, and gives the generations of the family. Although some genealogies reach as far back as 1500 the time period and content of the records will vary from one genealogy to the next. Additional records may be added to this collection. Check the wiki or browse the collection to determine current coverage.
