Buffet Lunch (Catered)

#### Singapore Philatelic Museum

Singapore Philatelic Museum is the custodian and curator of Singapore's treasure of philatelic materials. The museum collections range from stamps and archival philatelic material of Singapore from the 1830s to present day, and stamps from member countries of the Universal Postal Union. The permanent galleries introduce the world of philately, the world's first stamp, and how stamps are a window to the world - to explore different topics such as science, technology, history and culture.

Buffet Dinner (Catered)

End of Program

#### The Peranakan Museum

The Peranakan Museum explores the culture of Peranakan communities in Southeast Asia. The Peranakan Museum provides a stimulating and educational experience for all, while representing the living culture of the Peranakan community in the region.
