Rush in...

---

Flood in...

---

# Why so many people like the physical space?

---

Average 21,000 visitors  
each day in 2013

Partly because  
Barriers between physical and virtual spaces  
are disappearing.

Over 200 computers alongside prints  
Wifi is available through the building

---

# Lobby...computers outside the newspaper reading room.

---

# Computers in video area

---

## Computers in journal areas

---

Computers alongside book areas.

---

Surrounding is good... quiet, air-conditioned, green gardens.

---

Social contact is good...Friends together.

---

A seat is good, wifi is good...over 2000 seats are usually full.

---

# People enjoy more content in virtual space

---

Average 5000 website visitors  
each day in 2013

Lectures and Exhibitions in physical space  
are available in website.
