Activity of the Sejm in social media
SESSION III Activity of the Sejm in social media

• INTRODUCTION
• SEJM PROFILES
• MANAGEMENT
• ACTIVITY
• USERS
• CONCLUSIONS
In 2016, 56% of parliament used social networking (mainly Facebook). Substantial increase since 2012, when only 31% of parliaments were using social networking. Simultaneously, 48% was using Twitter in 2016 and only 29% in 2012.

Polish Sejm (Chancellery of the Sejm) is among those parliaments which began its activity in social media within the last few years.

Links to profiles maintained by the Chancellery of the Sejm (i.e. main profiles on Twitter and Facebook, as well as accounts on Instagram, Flicker and YouTube) are available on the main website of the Sejm.

There is no linking on the Sejm website to social media profiles of individual Deputies nor to the Speaker’s profiles.
SESSION III Activity of the Sejm in social media

Management

• internal management of social media tools,
• profiles managed by the Sejm Information Centre (Team for Social Media composed of 6 people and staff from other divisions of the Sejm Information Centre),
• the Sejm’s Library provides some of the posts to Twitter profile @DziejeSejmu,
• no internal document guiding social media management
• focus - promptness of published information and providing visual materials in individual posts i.e. photos, videos, graphics.
Activity

Social media are about conversation and networks but still most parliaments use them rather to inform citizens about policy issues and proposed legislation or to educate*.

• Sejm has begun its activity in social media quite recently and this mode of communication is still developing
• Social media used to facilitate to citizens access to information on the proceedings of the Sejm or on other events, including international cooperation
• Profiles on the Sejm’s history (input from the Sejm’s Library)

* Special Media Guidelines for Parliaments (IPU) and The World e-Parliament Report 2016 (IPU)
SESSION III Activity of the Sejm in social media

- Twitter and Facebook
