SESSION I Reporting about European activities of the Polish Sejm

BASIC BACKGROUND INFORMATION

- the Sejm procedures for EU documents and subsidiarity scrutiny
- statistics: Sejm’s reasoned opinions, political dialogue
- overview of 3 “yellow card” procedure cases - early warning mechanism
Sejm’s scrutiny of EU documents since 2005 (PL/EN)

- about 800 records a year – every record linked to IPEX
- the database gathers information from many Sejm’s databases, adding its own
- a record in EDL-S = a description of the entire course of Sejm proceedings related to a given EU document
INTER-PARLIAMENTARY EU INFORMATION EXCHANGE

Documents’ database

- EU draft legal acts and other documents (automatic transmission)
- NPs’ documents concerning scrutiny of EU documents (reasoned opinions, political dialogue) – every NP is a host of its own part
- OIDE responsible for the Polish Sejm part of IPEX
EUROPEAN INTERPARLIAMENTARY COOPERATION - GENERAL FRAMEWORK

- basic information about the legal frameworks of cooperation: regulations, guidelines (EN/PL)
- calendar of meetings with the Sejm, schedule of the parliamentary presidencies in the EU, link to the IPEX calendar

STATUTES IMPLEMENTING EU LAW - UST
Database run by OIDE

- UST database contains records of Polish statutes and EU legal acts that are mutually linked:
  - description of a bill/statute adopted by the Sejm
  - description of an EU legal act which is implemented by said bill/statute

- Additional lists of statutes implementing EU law split by Sejm terms
SESSION I Reporting about European activities of the Polish Sejm

Biuletyn OIDE

- monthly summary of the Sejm activities resulting from Poland’s membership of the European Union (PL/EN)
- list of selected recent publications (mostly on-line)
- published electronically, on the OIDE website (also PDF) / sent to subscribers / in a printed version available in the Sejm Library
SESSION I Reporting about European activities of the Polish Sejm

SUMMARY

OIDE website – a systemic solution aiming at a comprehensive presentation of the Sejm’s European activities in EU integration context:

- website managed by one organisational unit – OIDE division of the Sejm Library

- attempt at presenting full information in structured and, as far as possible, user-friendly manner

- twofold approach – current activities data accompanied by basic background documents and information
