STRATEGIC DIRECTIONS	<ol style="list-style-type: none"> 1. Foster international cooperation and interchange of experience amongst educators and practitioners providing foundation and continuing library and information science education programs. 2. Uphold, strengthen and harmonise the academic and professional status of LIS staff through internationally recognized qualifications for LIS positions. 3. Maintain a current directory of worldwide LIS educational programs, including continuing education and national LIS standards. 4. Foster multicultural principles of IFLA. 5. Disseminate information on innovative curriculum development and creative teaching methodologies and materials. 6. Establish new professional guidelines to encourage the incorporation of new knowledge, skills and competencies in traditional and open and distance LIS education programs. 7. Encourage and support the development of conference programs that develop the understanding of all stakeholders in foundational and continuing professional development for professional and paraprofessional LIS staff. 8. Foster a culture of LIS research in foundation and continuing education programs. 9. Establish an LIS Student Award to attend the IFLA World Library and Information Congress, managed by the SET. 10. Increase membership of the SET.
