UNIMARC STRATEGIC PROGRAMME
SUMMARY OF ACTIVITIES 2014

• Permanent UNIMARC Committee
The 24th Permanent UNIMARC Committee Meeting place on 12-13 May 2014 at the IZUM Institute of Information Science, Maribor, Slovenia. Nine members of the PUC attended, plus the Director of the Programme, representing 7 countries (Croatia, France, Italy, Portugal, Slovenia, Russia and USA). The Meeting was chaired by Maria Inês Cordeiro as A. Hopkinson has not yet been replaced.

Most of the work was concentrated on nine proposals discussed and approved with amendments, six relating to changes and additions to UNIMARC Bibliographic mostly to accommodate ISBD Area 0 data; and three relating to changes and additions to UNIMARC/Authorities regarding Interfield Linking Data and the implementation of ISNI. As soon as the editing of the approved changes and additions is completed the corresponding documents will be published at the Programme web pages.

The work on UNIMARC Guidelines No. 9: Manuscripts was finalized with some corrections and will be published soon. The Draft 2nd Version of Guidelines for Archives (dated 2013) remains in progress.

The PUC held an informal meeting during IFLA Conference, as usual, that took place on the 20th August. Issues discussed were matters pending from the 24th PUC meeting.

• UNIMARC in RDF Project
This project is in progress. All data regarding UNIMARC/Bibliographic is prepared in spreadsheets as well as most of UNIMARC/Authorities. Definitions for all subfields will be added. The Open Metadata Registry (OMR) is creating a service to automatically process such spreadsheets which will facilitate the process of uploading.

• Leadership of the Strategic Programme and the PUC
The leadership of the Programme and the PUC was also discussed, as the National Library of Portugal is willing to hand the Programme to another national administrator and Alan Hopkinson should be replaced. The ICCU in Italy emerged as the institution most able and willing to assume that hosting role. This possibility is yet to be confirmed. As to the Chair of the PUC, no offers appeared. Maria Inês Cordeiro, with assistance from Rosa Galvão, is willing to serve as interim chair for a transitional period, but would like to have someone else become chair as soon as possible.

• UNIMARC Survey 2014
In 2014 the UNIMARC Strategic Programme launched an online questionnaire to UNIMARC users (https://pt.surveymonkey.com/s/UNIMARC2014) which is not yet closed, waiting for the response from some countries.
4th UNIMARC Users’ Group Meeting
On 2014 May 14, the UNIMARC Users’ Group held its Fourth Meeting, also at IZUM in Maribor, Slovenia, featuring the following program (presentations available at http://home.izum.si/izum/puc/presentations.html):
