

**UNIMARC Strategic Programme**

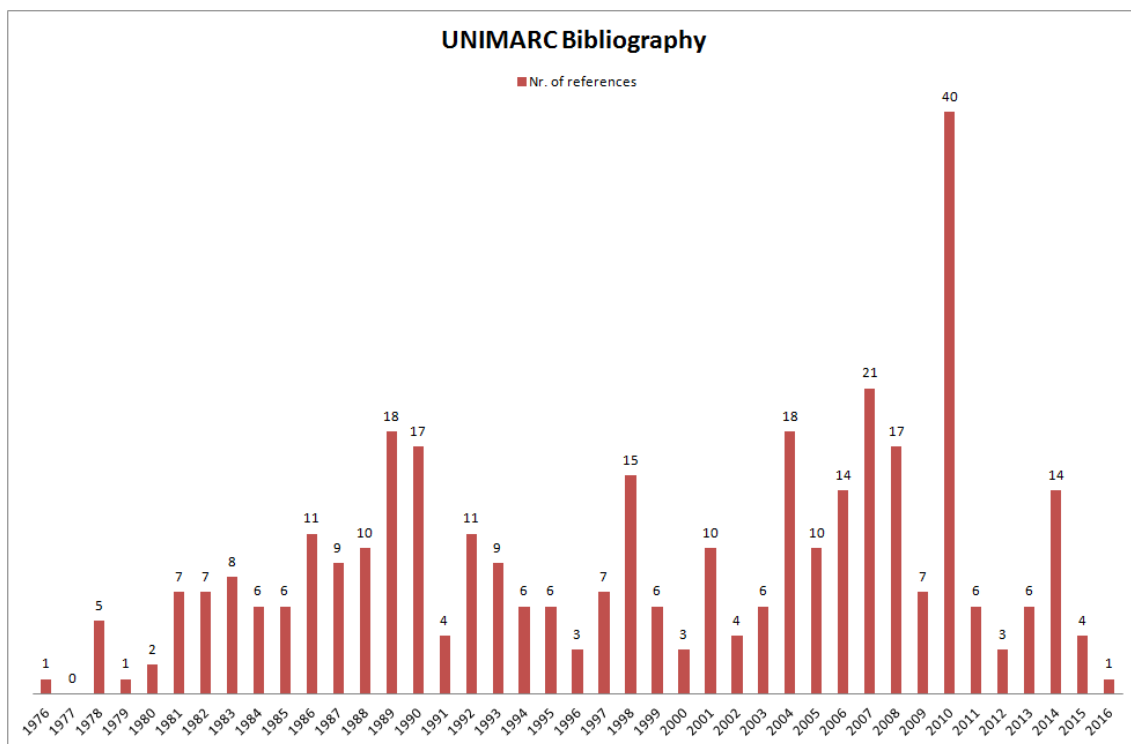

## **UNIMARC Bibliography**

December 2016

# UNIMARC Bibliography

## Presentation

This bibliography covers 40 years of journal articles, conference papers and presentations on UNIMARC or UNIMARC related matters. It comprises 359 references with the following distribution by date of publication:

The bibliography was first compiled by Fátima Pais and later completed by Rosa Galvão, both staff of the Standards Office of the National Library of Portugal.

All URL valid as of 29 December 2016.

Please, help us update this bibliography. All contributions regarding both past and current references are welcome. Contributions should be sent to [rgalvao@bnportugal.pt](mailto:rgalvao@bnportugal.pt).
