

210 PUBLICATION, DISTRIBUTION, ETC.

[...]

Notes on Field Contents

The information in field 210 is similar to the information presented in field 214 – *Production, Publication, Distribution, Manufacture Statements* that corresponds to IFLA-LRM and RDA.

Fields 210 and 214 should not be used in the same record.

Field Repeatability

The field is repeatable for resources that change over time so that both earliest, current and, if desired, intervening publishing information could be included in the record. Resources that change over time include multipart monographs, continuing resources and integrating resources.
