■ **Forthcoming activities – 2016/2017**

Advocacy at 2 levels:

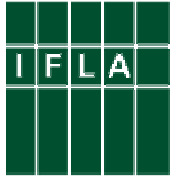

1. National

- Promote digital literacy and the broad band infrastructure in public libraries within the country
- Publicize SDGs among LIS professionals to encourage adoption in alliance with Governments
- Promotion of the LIS profession in social media
- Reinforce the Municipal plan of Book and Reading

2. LAC region

- Continuous professional development
- Professional exchange with IFLA members

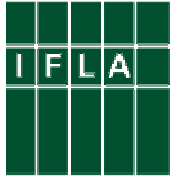

■ Challenges

- Continue professional support to Municipal Plan (Goal 27) beyond new national authorities
- Advocacy programs for University authorities to promote new LIS programs in provinces
- Direct communication with colleagues to attract and encourage their professional value to reinforce CBP
- Design a national reading campaign in collaboration with University Media programs
- Design a national campaign on Copyright and SDGs with University Media programs

■ The future of the association and libraries

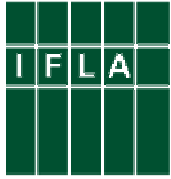

➤ Future role of CBP

- ✓ Be part of the national plans of education, research and cultural heritage

➤ CBP in 10 years:

- ✓ Coaching to get leader librarians
- ✓ Achieve the representation of all Peruvian LIS professionals
- ✓ Continuing coordination with stakeholders and library staff

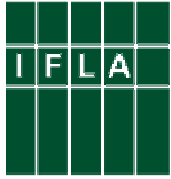

■ Any questions?

- ❖ A challenge you would like help to solve?
 - Advocacy: Have authorities recognize the value of public libraries and information.
 - Advocacy: Get professionals involved in Copyright law, particularly Exceptions and Limitations
- ❖ Is there an advice you would give other associations?
 - Work within LAC region on professional development (joint programs, curriculum harmonization, etc.)
- ❖ Do you have ideas about how to work with other associations?
 - Promote library regional groups to encourage the development of common plans and collaboration
